So we got them back on board. And I have a small story to tell about when they got back on board. Once they were back on board I knew that we had not only done what we said we would do, but we would come back over and over again. I knew that I would be coming back for 10 years exploring and describing this place because one thing that I had not known the previous day, and that was, "Could we do this?" And the answer was now, "Yes, we can do this." So we did.
